

mw2beamer test

Kevin Ernst

Weirauch Lab

22 Aug 2021

Presentation info (maybe with author and date?)

- don't put anything in the lead, it throws off Pandoc's section detection)
- `<h1>`s don't seem to work quite right either
 - although maybe `--slide-level` would fix that?

Some content in the first section

A subsection

Subsection content.

- bullet
- points
